“Says Tama: “Every success comes down to trust. Creative success depends on trust. Loving relationships depend on trust. Peace of mind depends on trust. Our world and media often instill fear and suspicion. Old ways of thinking will keep you guarded, small, and limit your opportunities in life.

I changed my whole career and life based on what I’d learned in *A Course in Miracles*. That’s why I designed this course. Many people may never read the 1,259 “religious-sounding” pages of *A Course in Miracles*. I wanted to take the most important messages and tools and offer you a way to experience their unparalleled power. I know that if someone took just one of these lessons and used it, it would be

worth years of therapy and libraries of self-help books. It would be worth your time on earth here.

Tama J. Kieves: an honors graduate of Harvard Law School, left her law practice with a large corporate law firm to write and to embolden others to live and breathe their most meaningful self-expression. She is the best-selling author of **THIS TIME I DANCE!** [Creating the Work You Love](#) and is a sought-after career coach and international teaching catalyst.
