

EAST WEST

BOOKSTORE

To Whom It May Concern:

Tama Kieves has drawn a great crowd every time she has spoken at our store and she leaves behind a positive buzz. Working with her in planning the events is always a breeze and delightful! She's a charismatic speaker and a diligent marketer. Additionally, whenever she has been to East West we have sold many of her books and other items in the store because of the crowd she attracts. Her book *THIS TIME I DANCE!* has been a favorite among customers and I have enjoyed reading it myself!

It's meeting people like Tama that makes my job so much fun!

I highly recommend her for an event at your store also. If you have questions please don't hesitate to call me.
