## I want to coach you into listening to the Voice of Strength and Love!

I've taught *A Course in Miracles*, the internationally popular spiritual psychotherapy program for 20 years.

It's the power behind everything I've ever done.

There's a reason Marianne Williamson, Dr. Wayne Dyer, Eckhart Tolle, and other spiritual teachers and students worldwide make this their primary spiritual path.

It works. It works like nothing else.

I want you to experience a *miracle*: a sense of peace or love or excitement where you felt blocked before.

I want you to join me in this call, this call to freedom, this call to another way of being in the world, this call to who you really are and what you came here to do. I want you to join in this amazing energy.
